

UPDATE

Good morning. Due to some changes in staffing here at PSU, we will run the Mid-Management and Executive Programs on a weekly basis starting right after New Years into mid-March. Both are 80-hour programs so there will be 10 sessions of 8 hours each. Locations for both will be announced later.

Mid-management will be offered on Tuesdays from January 8 to March 11. If a person comes to Management Cert, they earn 3 hours of PA 517, Leadership Development, as graduate or undergraduate credit at a much reduced rate. Additional time and written work are required to get the credit. The class can also be taken pass/no-pass which requires no additional work. Cost of mid-management will be \$1200, including materials and morning coffee.

The Executive Program will be offered on Thursdays from January 10 to March 13. If a person comes to Executive, they earn 9 hours of graduate or undergraduate credit for the cost of the program (the topics are Leading a Public Organization, Organizational Behavior and Public Policy). There is additional time and written work required to get the credit. The class can also be taken pass/no-pass which requires no additional work. Cost of the Executive Program will be \$2250 including all materials and morning coffee.

I will be sending more formal documents soon and I will address concerns on an individual basis.
